FCSS: 60 years of Partnership

Working together since 1966

For 60 years, the Government of Alberta, municipalities and Metis Settlements have worked together through Family and Community Support Services to support locally designed preventive social services.

A partnership built on local needs (funding split)

80% Government of Alberta

20% Participating municipalities and Metis Settlements

Provincial support. Local decisions.

Municipalities and Metis Settlements determine how FCSS funding supports local priorities within the program mandate.

FCSS across Alberta

195
local FCSS programs

306
municipalities served, including all eight Metis Settlements

98%
of Albertans have access to FCSS services

Prevention at the community level

FCSS supports two levels of prevention:

Primary prevention: Addresses root causes before problems develop. Examples can include parenting and employability workshops.

Secondary prevention: Provides early intervention when challenges begin to emerge. An example is short-term counselling.

FCSS-supported services may include:

- youth mentorship initiatives
- caregiver programs
- supports that help seniors remain independent and connected

54,000+ VOLUNTEERS

1.5 million+ VOLUNTEER HOURS

More than 54,000 volunteers contributed more than 1.5 million hours through FCSS-supported programs.

60 years of partnership

Provincial support. Local leadership. Strong community connections.

Thank you to the municipalities, Metis Settlements, FCSS staff, volunteers, boards, community organizations and partners who contribute to FCSS in communities across Alberta.
